MINISTRY OF LABOUR AND EMPLOYMENT*New Delhi, the 22nd May 1963*

G.S.R. 942.—The following draft of the Mines Creche Rules, 1963 which the Central Government proposes to make, in exercise of the powers conferred by clauses (d) and (w) of section 58 of the Mines Act, 1952 (35 of 1952), and in supersession of the Mines Creche Rules, 1959 is published as required by sub-section (1) of section 59 of the said Act for the information of all persons likely to be affected thereby; and notice is hereby given that the said draft will be taken into consideration on or after the 2nd September 1963.

Any objections or suggestions which may be received from any person with respect to the said draft before the date so specified, will be considered by the Central Government.

DRAFT

1. Short title and application.—(1) These rules may be called the Mines Creche Rules, 1963.

(2) They extend to the whole of India except the State of Jammu and Kashmir.

2. Definitions.—In these rules, unless the context otherwise requires,—

- (a) “competent authority” means, in respect of coal mines, the Coal Mines Welfare Commissioner and in respect of other mines, the Chief Inspector of Mines, and includes any person authorised in writing in this behalf by the said Welfare Commissioner or the Chief Inspector, as the case may be;
- (b) “creche” means a room or rooms with ancillary accommodation reserved for the use of children, under six years of age, of women employed in a mine;
- (c) “Medical Officer-in-charge” means a qualified medical practitioner employed, whether on a whole-time or part-time basis, by the owner of a mine to perform the duties assigned to such office, by these rules.

3. Provision of creches.—(1) Subject to the provisions of sub-rules (3) and (4), the owner, agent or manager of every mine (hereinafter referred to as the said person) wherein any women are employed or were employed on any day of the preceding twelve months, shall within such period as may be specified by the

competent authority, construct thereat a creche in accordance with the standards prescribed under rule 4:

Provided that where the competent authority is of opinion that the situation, nature and extent of the workings or other places where women are employed are such as to render compliance with the provisions of these rules not reasonably practicable, the competent authority may by order in writing exempt the said person from the provisions of these rules for such period as may be specified in the order subject to the condition that the competent authority may require the provision and maintenance of a suitable room or rooms with an attendant and necessary equipment at or near any working place or part of the mine:

Provided further that if the competent authority is satisfied that by reason of shortage of building material or of labour, the said person is unable to provide within the stipulated period a creche in accordance with the specifications in these rules, he may approve of the erection of a temporary structure to be replaced by a permanent structure within such time as he may prescribe.

(2) Notwithstanding anything contained in sub-rule (1), if the competent authority is of opinion that the conditions in any mine or part thereof are such as to render compliance with the said rule unnecessary, he may by an order in writing and subject to such conditions as he may specify exempt the mine from the provision of a creche.

(3) If in any case the competent authority is satisfied that no inconvenience will be caused to the employees concerned, if a single creche is provided to serve neighbouring mines, he may authorise the owners, agents or managers of such mines to provide jointly a single creche and on such conditions as he may prescribe.

(4) On the production of a certificate from the Chief Inspector of Mines that the productive capacity of a mine will be exhausted within the next three years, the competent authority may on condition that the said person shall provide a temporary structure to serve the purpose of a creche and on such other conditions as the competent authority deems fit, grant exemption from the construction of a creche in accordance with these rules.

(5) Subject to such relaxations as may be considered necessary by the competent authority the provisions of rules 5 to 13 shall also apply to every room or rooms provided under the first proviso to sub-rule (1) and to every temporary structure provided under the second proviso of sub-rule (1) and under sub-rule (4).

4. Standards for creches.—(1) There shall be four types of creches according to the number of women employed as specified in Schedule I.

(2) Every creche shall conform to the following standards:

- (i) It shall be contained in one building, built of brick and mortar, adequately lighted and properly ventilated and affording effective protection from all kinds of weather: Provided that, with the previous permission in writing of the competent authority, it may be built of any other material which the said authority may approve.
- (ii) It shall be constructed on a suitable site selected by the mine management with the previous approval of the competent authority.
- (iii) The flooring shall be of cement or stone and the ceiling shall not be less than 4 metres high from the floor.
- (iv) The interior walls shall be lime-washed once in six months and the wood-work shall be painted or varnished once in every three years.
- (v) It shall be maintained in a clean and sanitary condition to the satisfaction of the inspecting staff:

Provided that the competent authority may permit variations in the standards specified in clauses (iii) and (iv) having regard to local conditions.

5. Provision of latrines.—(i) There shall be provided one latrine in each 'A', 'B' and 'C' types of creches and two latrines in each 'D' type of creche.

Provided that a commode or latrine shall also be provided in all types of creches, wherever considered necessary by the competent authority, for the use of children affected by any infectious disease.

(2) The latrines shall be kept in a sanitary condition to the satisfaction of the inspecting staff.

(3) The competent authority may permit variations in the standards specified in sub-rule (1) having regard to local conditions.

6. Provision of bath rooms.—In every creche there shall be provided a closed bath room with separate space for washing and drying soiled clothes or bed linen. The bath room shall be equipped either with a sink or masonry tubs and the quantity of water to be provided shall be on a scale of at least 15 litres per child attending the creche.

(2) The competent authority may permit variations in the standards specified in sub-rule (1) having regard to local conditions.

7. Amenities to be provided at creches.—(1) Medicines for first aid, cradles, cots, beds, linen, bedding, feeding bottles, cooking utensils, toys, furniture and other equipment for the use of children shall be maintained at each creche on the scale specified in Schedule II.

(2) A supply of cool and wholesome drinking water shall be provided for each creche on a scale of at least two litres per child attending the creche.

(3) Milk and diet for children attending creches and clean clothes for the creche staff shall be supplied on the scale specified in Schedule III.

(4) The competent authority may permit variations in the standards envisaged in sub-rules (1), (2) and (3) if considered necessary.

8. Time when creches shall be kept open.—The creche shall remain open at all times, both by day and by night when women employees are working at the mine and it shall be properly lighted at night.

9. Use of the creche.—The use of the creche shall be restricted to children, their attendants, the supervisory staff and such other persons as may be related to or concerned with children in the creche.

10. Medical Arrangements.—(1) A medical examination of the children attending the creche shall be made every month by a qualified medical practitioner and a record of such examinations shall be maintained in Form A.

(2) A medical examination of the nursing mothers attending the creche shall be made once in every two months by a qualified medical practitioner preferably a woman. When the examination is conducted by a male doctor, it shall be made in the presence of the creche nurse. Records of such examination shall be maintained in Form B.

(3) The Medical Officer-in-charge of the mine, or the Welfare Officer, shall be responsible for the general supervision of the creche.

11. Provision of staff.—(1) The said person shall employ, at every creche, staff on the scale prescribed in Schedule IV.

Provided that only such women as have successfully undergone training as a creche nurse at an institution approved by the Central Government shall be eligible for appointment as a creche-in-charge.

Provided further that in the case of a woman in employment on the 1st June 1963 as creche-in-charge in a mine, this provision may be relaxed with the approval of the competent authority subject to such conditions as may be specified.

(2) Where by reason of temporary absence, illness, or any other similar cause, the full time creche-in-charge is unable to perform her duties, the said person shall authorise in writing any one whom he considered competent to act in her place;

Provided that no such authorisation shall have effect for a period of more than thirty days except with the previous consent of the competent authority.

(3) The creche-in-charge shall ensure that the creche is kept in a clean and sanitary condition, that all children attending it are properly looked after, washed and fed in accordance with the provisions of these rules and that they and the nursing mothers are taught clean and healthy habits.

12. Maintenance of records.—(1) A register giving particulars of children attending a creche, shall be maintained in Form C.

(2) A register of complaints shall be maintained for inspection by the Medical Officer-in-charge and by the management of the mine.

13. Inspection of creche.—A creche may be inspected at any time by the competent authority or by an officer authorised by the said authority for the purpose. At every creche, a book to be called 'Creche Inspection Book' shall be kept in which the inspecting officers may record their observations.

1. This Scheme may be called the Andhra Pradesh Coal Mines Provident Fund (Fourth Amendment) Scheme, 1963.

2. In the Andhra Pradesh Coal Mines Provident Fund Scheme, hereinafter referred to as the said Scheme, after sub-paragraph (2) of paragraph 7, the following sub-paragraph shall be inserted, namely:—

"(3) Where a subscriber to the Employees' Provident Fund established for the employees of the Singareni Collieries Company Limited, having elected to continue to subscribe to that Fund under sub-paragraph (1) makes an application to the Commissioner within such period as the Commissioner may specify on this behalf, for becoming a member of the Provident Fund established under this Scheme, the Commissioner may, if he is satisfied, permit the subscriber to make a fresh election. Where the subscriber is so permitted, the employer shall require the subscriber to make a fresh election in form 'C' and if he elects to join the Fund, he shall be deemed to have become a member of the Fund and shall be entitled to contribute to it from the date of such re-election or from such prospective date as the Commissioner may specify in this behalf. The election certificate together with a return in duplicate in form H (Revised) and the declaration of the subscriber in form 'A' shall be forwarded to the Commissioner by the employer within a fortnight of the date of the said election. The return in Form

H (Revised) shall be marked Special and shall be deemed to relate to the period of six months in which the certificate in Form 'C' is signed irrespective of whether the subscriber puts in the prescribed attendance in that period or not."
